The 1978 Olympian Staff dedicates this book to Coach Bob Bow. His hard work and dedication to the athletic department since 1964 has played an important role at Gunn. Along with his help in the growth and development of the school, he just received his 15 year coach's award which was well deserved. Bob Bow's sense of humor and friendliness have made him a favorite teacher among the students. For this, and much more, we thank you Mr. Bow, and dedicate this yearbook to you.

A black and white photograph of a school courtyard. In the background, a building with a shingled roof is visible. Large trees with dense foliage frame the top and left sides of the image. A paved walkway leads from the foreground towards the building. On the left side of the walkway, there are several concrete planters containing bushes. The overall scene is peaceful and well-maintained.

Karen Bergman, 1978 Olympian Editor-in-Chief, did outstanding work in directing and coordinating Gunn's largest yearbook staff as they produced Gunn's largest book to date. Her fine example gave all of us a boost. Thanks, Karen.

This year's Oly staff worked the whole year without knowing who the editorial staff would be. Then, when the job was nearly complete, editors were selected by the class on the basis of merit. With Karen's selection as Editor-in-Chief being nearly unanimous, Section Editors also received clear majorities in the voting. The Oly staff is to be commended for its wise choices.

Pictured above are Randy Babbitt, Advertising Editor; Lisa Granich, Sports Editor; Cindy Maloney, Personnel Editor; and Doug Rose, Photo Editor. Assistant Editors not pictured are Graham Cann, Advertising; Vernon Grant, Sports; Nancy Nutto, Personnel; and Ben Sloane Photography. Karen Bergman also served as Features Editor with Vicki Albright, Assistant Editor, Features. Well done!

The Photo 50 Club is composed of members of the advanced photography class. Its purpose is to promote interest in photography at Gunn High School and to conduct fund raising activities in order to earn money toward the purchase of new equipment. Through such projects as bake sales during lunch period, participation in Gunn's annual crafts fair, and the showing of featured movies, Photo 50 Club has earned several hundred dollars which have been used to cover such items as the overhaul of a key piece of darkroom equipment, purchase of much-needed print trimmers, purchase of enlarging lenses needed to realize full performance from existing equipment, and other items needed in the darkroom. Future plans include purchase of more equipment and necessary material to build counters and shelves in our darkroom. Clubs like Photo 50 help make Gunn the great school it is.

Energetic darkroom crew seriously considering day's work. Row 1: Howard Fish, Ben Sloane, Doug Rose, Jenny Dienger. Row 2: Vince Ikeda, Gordon Dyal, Mike Brown, Susan Taber, Missing Elves, Francine Abel, Peter Kosek, James Merritt.

Darkroom Crew In Action!

Darkroom staff (grouped above and individually shown to left), although indulging in a bit of spoofing for the benefit of the camera, took their work seriously this past year. Each member shown (as well as those missing) gave extravagantly of free time when deadlines threatened to engulf us and the job was done and done well. If photography is the heart of a yearbook, these are the people who kept that heart healthy and pumping. All those who purchase and enjoy the 1978 edition of the Olympian owe them heartfelt thanks. Super job, gang!

Bye, Hutch.

Bill Hutchinson — “Hutch” to everyone — will leave Gunn High School’s Counseling ranks in June, 1978, after many years of offering students real help in solving the complexities of existing successfully in the educational climate of today. Hutch’s fellow staff members and the Gunn High student body join in thanks for a job well done and extend best wishes for the future. Don’t forget us, because we won’t forget you.

Later, June

June Bangham has given leadership and guidance to students and staff alike during her years as Instructional Supervisor of Gunn High’s Fine Arts Department. Her well-deserved retirement at the end of the 1977-1978 school year will leave a vacancy that will be hard to fill. All who know her wish her happiness and success in whatever the future holds, and we extend our thanks for the many services she has rendered.

Gunn's Lab Assistants are the people who keep the darkroom able to function. Javier Gil (left) washes prints while Sarah Kruger (right) keeps negative files orderly.

Ruthie Nicholas (left), our expert on chemicals and solutions, supplies the one without which no darkroom can begin to function properly, the coffee. Peter (Kojak) Kosek (right) checks over a proof sheet to make sure it matches up with its negative page and is well printed.

Franceen Abel (left) is a versatile performer in many ways: expert discount-getter at Long's Drugs, bake-sale organizer, and negative cutter to mention a few. Despite bug bits, being a hit-and-run victim, losing her wallet, etc. she came through. Jeanne Mrize (right) is an authority on posing and Olivia Newton Jeanne. Right on!

Howard Fish (left) and the Big Bucks Bunch (right), Jeremy Meier, Lisa Granich, and Randy Babbitt (seated) and Cindy Maloney (standing) spearheaded our advertising sales this year with over !100 each. Congratulations and thanks.
